# **He Looks Into the Eye!**

DO not fall to see DR. MONTGOMERY, the  
Expert Eye Sight Specialist, who is now in Lindsay  
at Mr. C. HUGHAN's Jewelry Store. "He Looks Into  
the Eye" and measures the nerve force. If you need  
it, you have your eyes examined by one of the leading  
opticians in the Dominion.

His great work throughout Canada is almost too  
small to need any praise. There is scarcely a town or  
hamlet in Ontario but knows of his remarkable skill  
in fitting the eyes with glasses. He straightens  
the eyes cross eyes without cutting or dragging. He cures  
headaches with glasses, and brings sight to eyes that  
have never known good vision. Do not delay, come in

and see him and receive a life-long benefit. Do not  
suffer with eye trouble when he will tell you the truth  
about your eyes.

If you can't see glasses you may say for the material,  
I pay for all examinations. Hundreds in this section  
know of this man and know that his advice is worth  
more than money. Does he have regained their vision  
by using his glasses and drive now happy. Come—he  
is ready and willing to examine your eyes at his  
Jewelry Store for a short time. Yours to serve.

REPRESENT A CAPITALIZATION OF THREE AND A HALF MILLIONS.

A Review and Criticism of the Dominion Government's Act.

It is assumed by writers and

speakers that the act is a

benefit to the worker, and that

it will result in a more

equitable distribution of

wealth. The act, however, is

nothing more than a

capitalization of the
